“ To the Fleming Family,

*Uncle Grant was always larger than life to me as a child. His height and deep voice would, to a child, be very scary. But I found him to be such a wonderful person. In October of 1978, he demonstrated to me just how very special he was. It was because of his act of kindness that I was able to declare being an independent student at Michigan State University. It changed my world. I often told him of how special he was. I will miss that deep voice and his wonderful laugh. He will always hold a special place in my heart, for now and forever. RIP Uncle Grant...*
