“ I remember when I first discovered you looked like squidward when you and Chelle stayed on Churchill.... maybe it was boulder creek. I just know every since you have been "Squid" to me. I could always ask you for anything and you never told me "no" I miss you calling my phone and I would say "what you want squid?" And you would respond "This ain't me!" Lol , I remember the sixteenth birthday party you and Chelle gave me on Churchill, nobody showed up but y'all made sure I had FUN!!!! :) God, I hope he made it your presence for me he was a blessing, at least I know he's resting and he ain't out here stressing tryna get to the good life and out of this HOOD LIFE. I LOVE YOU SQUID, SAVE A SPOT FOR ME.

“ Luchi you will be missed. You were more than a friend you were family. Been around since I could remember over 25 years. Known for your strength and smart mouth comebacks. But nevertheless you were loved. Still hard to visualize you gone. All the postings and media but it seems so unreal. It hasn't hit me yet that soon I'll be saying a final good bye or more like a homegoing. But rest up! I don't know God plans but I do trust him. Luchi thanks for all your help! I'm OK because I thanked you when you were living.

“ *Man this is so unreal. Man where do I begin. He was the oldest male cousin like a big brother. Eventhough we were close in age we spent all of our youth days together. I practically live with them as a kid his Moma watched me until I was 13 teen. Man I know time is going to heal this pain. I love you cousin may you rest in peace.*
