“ I can remember every moment as a kid growing up with Gregory, a.k.a. Wee Wee. It was always him and Xavier coming over to the house asking what we had to eat and drink. When I went away to college, he would always ask my family where I was and how I was doing. And they would always give him the same answer "Wee Wee she is in Detroit at school!" LOL! Everytime I came home I would pass by the store in hopes that I could catch him. I know that he is here in spirit to care for his family and friends. I will never forget you "Greg!" I love you buddy and you will always be in the hearts and minds of my family and I. Rest in Peace! My prayers are with the family.
