I just found out about Gregory's passing yesterday and I would like to send my condolences to his family. He had a very easy going personality and always would speak when passing by the house, sometimes I would see him on the way to his appointments early in the morning as I was getting ready to leave for work, , he would always wave. If I was outside working in the yard he would stop as he was passing by, and we would have a small chat and he would go on his way. His presence will be missed in the neighborhood

“ Hey, Buddy, I'm going to miss you. We had some good times and some good debates. I'm glad we got to talk once more. Next door will never be the same when I go home. I always looked for you.

Jackson family I know Gregory is a great loss to you. I am so sorry for the loss of a son and a brother. God's will was to give Greg rest at this time. We are all going to miss him. God knows what is best. Greg fought for a long time. He is no longer suffering and he is at rest and peace. For to be absent from the body is to be present with Lord and in the Lord is rest. That is the peace that I have accepted and I hope that it will give you peace as well. I love you guys and I am here for you.

Neighbors for 46 years is a long time to love someone.
