“ *WOW, this has really blew me away to hear this sad news, I just got back in town. If you knew Bean he was a really cool, always funny, joking person. I would always tell my son how much fun we use to laugh, talking about each other, playing ball, just hanging out in the we hours in the mourning panning on each other. We all had our little click in the Terrace, but Bean didn't, he just fit in with everybody, he didn't have a click. We all have gotten older now and have lost touch with one another, i would always say "I would like to see Bean, so that we can kick it and laugh and talk about old times, but it kept slipping my mind." Now I'm here typing goodbye to a long time friend, i could had tweeted or Facebook a note to someone that knew his phone number or address and got in touch with him. I will truly miss this dude, peace to the McBride family.*

“ *Bean was always such a fun friend to us. He panned all the time and loved to sing "On the Wings of Love" reallllll loud. Him and his family were more like family to us and he will be greatly greatly missed.*

“ Dear McBride Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms 83:18, Psalms 65:2) Please be assured, death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again. (Isaiah 25:8) My family and I wish you and yours peace. (Phillipians 4:7)
