“ To the family and all
Mother Jones has taken up her wings to the
heaven's. Leaving her precious metals among
us all. I thank the family for sharing her with me
.She stepped into my life with all the love a
mother could give to a motherless Adult. I truly
will miss this Angel , Prior to leaving on my trip the love she
extended in her voice was so awesomely felt. Not knowing she was
saying goodbye, that God needed her more than all the goodness of
her living fruits of the Spirit will certainly live on in each of of. There
are no words to share how much this Queen will be missed , Her
love was always there to any and all to embrace this awesome
Mother's Love. Praising God for Mother Jones , May her Soul rest in
Peace
I love you Mother & the Family so very much.💕 (Doll Baby)
