“ *When Gyrena was little her and her sister Terri and brothers used to walk together and stop by and see my son Neil or I when we lived on Nebraska. She was always such a little sweetheart. So polite and thoughtful and just beautiful. She liked when I had my twins in '03 and would come by and see the babies sometimes. After I moved I would see her out in the community and even was her nurse last year when she got hurt. Always she would remember me, and ask about Neil and the twins. I can't say enough what a thoughtful little sweetheart she was. I am so so sad Gyrena. Gone too soon*

“ We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.

“ A BEAUTIFUL CHILD WHO ALWAYS MOTHERED SO MANY.ALWAYS LOOKING AFTER SO MANY . WANTED A PLACE . A HOME. WANTED SO MUCH MORE AND DREAMED OF INSPIRING OTHERS TO FOLLOW. I REMEMBER THE HAPPY MEALS AT WENDYS WHEN SHE WAS FOUR.HAVING CHRISTMAS AND SO EXCITED. SURPRISING HER DAD WHEN SHE CAME TO BE HIS GIFT CHRISTMAS MORNING. SHOPPING,GETTING A HAMPSTER. HER LOVE FOR POETRY. MOST OF ALL BEING FAITHFUL AND DEVOTED TO ALL THOSE SHE CALLED FAMILY.THE MOTHERS DAY CARDS AND HOW PROUD SHE WAS OF GREAT GRADES . I ADORED WATCHING YOU WHILE YOU STRETCH ACROSS THE FLOOR DOING HOME WORK PROJECTS. I DID SEE YOU SMILE,LAUGH AND SLEEP . I WAS BLESSED TO SEE A CHILD BECOME A BEAUTIFUL LOVNG WOMEN. GOD HAS OPENED HIS DOORS AND NOW YOU ARE HOME. MAY YOUR SOUL REST .

“ Gyrena,  
*Every person is described by a word or words, well I have 2 that I believe describe you best. BEAUTIFL AND COURAGEOUS! You have the most beautiful heart, the most beautiful smile, and the most beautiful light within your soul. You have always been one of the most courageous people I have ever known. You have always been willing to take that chance even when the odds were stacked so high. You were always courageous enough to take a chance on people even when their chances were spent. You were always courageous enough to work hard and have dreams so big that people were envious of you. When I look back and think of all the big moments in my life, you were always there. I am most certain that when the lord came to you that you COURAGEOUSLY accepted his hand and showed him your BEAUTIFUL smile. You will be forever missed within my soul and never forgotten in our family. I know you will be there to greet me in my transition one day with that warm smile that is forever remembered in my heart. I love you more than you will ever know and miss you!*

“ *Ruby and Family,*

*Our heart goes out to you at this sad time, and you are in our thoughts and prayers at this time of loss. Ruby, we miss you and think often of your laughter and the fun we had riding motorcycles. I am sure the loss of your grand daughter is difficult to bear, but we are thinking of you and hoping to see you again in happier times.*

“ *God Bless all of you during this difficult time. I heard about Gyrena through previous students and couldn't believe she was gone. She was one of my stand out students at Carpenter Road. I can still see her little face and that beautiful smile. Gyrena was friends with everyone in the classroom and I don't think she ever had a problem with anyone during those years in our little unit. I saw her and Terri at the mall a couple of years ago and she was still the lovely younglady with a quick smile and wonderful kind spirit. She will be greatly missed by all who knew and loved her. May God strengthen and keep you all. Carla wilson*

“ *Good times and bad times we had them together. Gyrena had and old soul. She loved everyone around her and never took things for granted. I did not expect such tragedy to happen to such a young woman that aspired to do more than what people expected of her. She will be missed by her little family in Texas.*

“ *To the parents: As a mother, my heart is filled with sadness when I learned on the news of the loss of your beloved child. I will and continue to pray not only for you and your family of the loss of your beautiful child but for others who have also suffered and are still struggling with the loss of their children, especially through violence. The violence needs to stop. She did not deserve this. She's in Our Lord and Saviors arms, where no more harm will touch her. He added another wonderful, lovely angel to Heaven's Choir. God has his hands on you now during your bereavement and He will see you through. Take care and may Our Heavenly Father bless you to gather the strength to go forward.*
