“ *Paying respect to my grandfather Halbert. I am the daughter of Connie Sanders who is his daughter. I was fortunate enough to have known him but his grace was only present in my younger years when I was a child. I wish I had of known more of him and spent time with him more but the thing I will always remember about him is that I will always have a piece of him running through me because of my mother and that the times I did see him, he always called me his "LITTLE MUNCHKIN". God rest his soul and I love ya!*
