“ *My heart grieves at the departure of my dear cousin, Harold LaWayne Lee. I fill the void of his presence. He embodied the energy of life and of family, full of joy, peace, and happiness. LaWayne approached life with confidence, always calm and "keeping it real". I pray that the family is strengthen to move forward, to cherish his memories and in unity in all they do. God's love will be your comfort.*

“ *I remember when Wayne and I were about eight or nine and they had a family dog named Fluffy, a Pomeranian. One day when I was visiting them I went downstairs to the basement; as soon as I reached the bottom of the stairs Wayne yelled out, "Toddy catch!". All I could see is this dog coming towards me, I froze and unfortunately, Fluffy hit the floor. To make a long story short, poor little Fluffy came home from the Vet with splint on his broken leg. And, of course, Wayne said, " Toddy, you was supposed to catch it". One of my memories, Richie Harris, aka Toddy.😭*
