“ *Harold was one I have always remembered as being such a positive person... never a bad word to say about anyone... even in the most dire circumstances... Harold was always positive.... I worried about the office closing.. and Harold was the voice of calm....*

Have to share a funny story I still share with people to this day... I was a part-time police officer in Flint Township... Harold was a scout leader.. One night he was my relief at work at midnight... I was briefing a pilot.... since I was almost ready to leave... I had on my police uniform... and was briefing the pilot gun and all... as usual.. Harold was a few minutes late because of a scout camp out at GM... so he arrives in his boy scout uniform with his hat and shorts... I told the pilot Harold would complete the briefing... I left in my police uniform and he continued the briefing in his scout uniform... I still wonder to this day... what was going through that pilots mind !!!!! ALWAYS have missed you Harold.... may the lord comfort you and your family.... God Bless... and Blessings to you Connie...
