“ *To the Fizer family,
You all have my deepest sympathy on the loss of your Dad and Husband. I know that you all have wonderful memories to get you through the pain. Rosie, Gina, and Harris you are so blessed to have had your Dad in your lives for so long, my Dad passed at 38 when I was 11. I still have vivid memories to get me past the hurt of missing him but I know he's around me as your Dad will be with you. Take care of your Mom because she will miss him more than anyone I'm sure. I can offer words, hugs, and a shoulder but my prayers is what will get you through your darkest hours because the Good Lord will be there for you, lean on him, call on him, He's listening. I love you, friends.*
