“ Cuz we grew up full of memories, we lived, we laughed, and we loved! Although our paths drifted after our children became toddlers our love for each never faded...our last conversation of meeting in Florida seems like yesterday and I am sorry we didn't have that opportunity but, we will meet again...

Prayers for the Buggs family fill my heart, and I love y'all!

“ My condolences to the family of Ms. Buggs. I know that word's cannot express the feelings of disbelief and helplessness that comes with the loss of someone so young and precious. May Jehovah God comfort and surround all of you with peace and hope during this difficult time. A wonderful promise from Jesus at John 5:28,29. One day soon, you will be able to see "Hattie" again. Until then, continue to cherish all of those wonderful memories that you have shared together.
