“ I miss you and love you so much, I have a lot of sweet memories of you , but what sticks in my mind is when I was sitting in the chair next to your bed quietly and you didn't know I was there and Debbie Jones walked in the room and started talking to you and told you to look over to see who is sitting in the room with you ,and you seen me and gave me the biggest smile ever and try to raise up to look and I got up and I kissed you I told you I love you and kept kissing you I would never forget this, love you mother in law you are truly going to be missed 42 years with you in my life, love you, job well done, it hurt me so much ,that you are no longer here.
