“ *To Whop and family, It pains us to hear of the loss of your mother. We do understand your heart for we too have sat where you have sat today. Just know God puts know more on us than we can bare, And he will see you through this. Just remember all of the good times and keep mother close to your heart, for she is merely resting now, and in a better place.*

We really wish we could be there for you but time and distance does not permit that at this time. But Just know whop that we will always be here for you when ever you need us.

Mr. and Mrs. Young

We Love you.
