“ *Danny and Cookie, there truly no words that can comfort you at this time, because it's all just words. Time will somehow ease the pain of losing your Mother. Cousin Helen was always one of the sweetest, kindest people I've ever know. I will cherish the time that I was able to spend with her over the last few years and a couple of phones call that we shared. I will always remember her acts of kindness that she has shown me and my family over the years. May you continue to be at Peace in Heaven.*
