“ To my Aunt Flo and family. You have my deepest sympathy for the loss of your husband Hank. You both have been in my thoughts and prayers for a very long time. We were on the phone at the start, remember? At times like this mere words really can't soothe the pain and the heartache and you have had your share. But just know that you are surrounded by much love, shoulders, and ears whenever you need them but most of all God alone ends ALL suffering. Don't mean to preach to the choir but you know me. I will talk to you and see you soon. Much much Love, your Niece-Naye

“ Cindy & Jeff, my family and I extend our deepest sympathy in this, your time of loss. I have many fond memories of growing up on Mason Street, with many involving your dad. Hank was a wonderful man whom I looked up to as a kid. The thing that I remember most vividly was Hank grilling ribs in the backyard of your home, one of the sweet smells of summertime on Mason St. Hank always had a top of the line customized pickup truck in the driveway and a well manicured lawn...and we were always careful not to ride our bikes across it. Hank always had a smile and a hello to share as we made our daily excursions through the neighborhood. His gentle spirit will be missed by those of us left behind but will surely be a welcome addition to God's Kingdom. May God bless you and comfort you.
