“ *To the Family of Henry,*
I am deeply touched that someone so young has lost their life. The first question that comes to mind is Why? It is painful to lose anyone in death but God answers all questions. First all sin, sickness, and death only come as a result of the first human parents sinning against God. From that time all badness began to get worse and worse even sickness and disease have increased. But as God purposed humans will return to life here on earth and live forever. I do hope you will allow God's Word to give you even more answers and comfort. Please continue to pray to God for strength and know that He will give the much needed help. (Romans 5:12; John 5:28,29; Psalms 37:10,11; Revelation 21:4)

“ *Sister Jones:*

When someone we love so dearly goes home to be with the Lord, we know they're in a better place if they had a relationship with Him, but your sorrow and pain is still great.

Please know that I am praying for and with you, that the Lord will hold you especially close and comfort you through the coming days and nights. Please be encouraged by the love of your family, friends and your Foss Avenue Baptist Church family.

Please turn to God's Word for comfort and guidance - "Blessed are those who mourn, for they will be comforted" - Matthew 5:4 NIV
