“ I want to say thank you for being nice to our grandchildren, and their mother. Even though we never met. I feel like I knew you from the kind words they have shared with us about you. May God keep you in his living arms. It's comforting to know in God's Word. To be absent from the body is to be present with the Lord. May your soul rest in heavenly peace.

“ Henry was my 1st friend at work he came right over and introduced himself. He talked so highly of his children and his mom. He had the most kindness heart for everyone. He always made sure we were all ok. If we were having a bad day he would tell us a story to make us laugh. He went out of his way to make us smile that was Henry showing his loving heart. My heart goes out to his loved one's rest in peace always Henry and please keep smiling down upon us all.
