“ *Henery Robinson was like a brother to me. When I hired in Grand Blanc it was something different for me. I never worked in a plant before the people were different. But he told me that I was going to get some thick skin working there and I did. We became close Etta and Henery were like my family. Rest in peace my bother my friend*

“ To the family of Henry Robinson:
My name is Mitch Wood and like Ruthi Hill (both of us transfered to Grand Blanc from Chicago) Henry was not only an awesome boss but a truly good man! He was proud of me when I got into a die maker apprenticeship and had sympathy and understanding when my father passed. I just now found out about his passing 6 weeks after the fact and am very saddened but also joyous because I know this wonderful man is with the good Lord Jesus. Henry had a coolness about him, everyone that new him knows what im talking about. The kind of person that everyone wanted to be around and liked! I will see him again!! Thank You Henry

“ *Etta My Condolences and Prayers Of Strength, Peace and Comfort. Henry was one of the BEST Supervisors that I can truly say I had while I was working at Grand Blanc MFD. Most Of All He Was My True Friend. The Good times we had working together. Both of us improvising like we knew so much about a computer. How to work it when neither of us had a clue as to what we were doing. He'd tell me I was gonna work overtime cause his line was working O/T and he was my Supv. anyway😂. We were gonna learn how to work this Damn Computer together... guess what WE DID IT. Oh Wow, The talks, The jokes and the laughter will always be memorable. I'm Going To Always, Always Cherish Your Memory And Our Friendship. Love You Forever! R.P.I.H HENRY 🙏*

“ A long time friend from Clark Elementary School to Atherton Terrace to Southwestern High School. We lived in the same type places, attended the same schools, our brothers were friends and of course shared the same first names which made us good friends. My condolences to all of his family for their recent loses.

Mrs Etta Robinson and family, I am so sorry to hear of Henry's passing. I enjoyed working with and for Henry for years at Grand Blanc Metal Fab. He taught me alot about many things and I helped him with paperwork...good trade for me. My thoughts and prayers to you and your family. From time to time I have thought about the two of you and tried to find out how things have been going as our paths have taken us to new ventures.

“ *To the Robinson Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question you might have about death. It also shows that there is a real hope for persons who have faith>

*Yours truly,
Patricia*
