“ *To Aunt Bell and all the children and the grands, we will forever remember the quite and warm spirit of Uncle Henry. He will be missed and the pain will lessen as the years go by but your memory of your husband and father will last as long as you choose to speak of him.*

“ *Aunt Bell and Cousins Lisa, William, Michael, David, and Tena, I know how much you will grieve the loss of your husband and Dad, Uncle Henry and, over time, your pain will become more bearable. However, we must remain grateful for the time we've been allowed to spend with such a gentle, kind, and loving man. You will remain in our thoughts and prayers.*

“ *Sister Seay and family: I'm so sorry to hear about Bro Seay's passing. You are in my prayers.*

*I remember most that he was a soft spoken gentle and compassionate man, he loved his family very, very, much. I remember all the fun rides we had in the station wagon going to the Kingdom Hall. In time I pray your sadness will be replaced with fond and jovial memories.*
