“ *A sunshine of a pastor. I used to walk there when I lived nearby. He always had big smiles. I used to pray for a car and one morning he called me and said to come to the office. I went and he met me in the parking lot and said 'God surely is smiling down on you. Somebody came in today and said God told them to give you a car.' Then the keys got handed to me. I remember God sharing why God felt the title 'New Creations was so needed for the church. He showed me a vision of a mother and a father standing on each side of a bassinet grinning down in pride at a new baby inside. A new creation all its own. God picked that title for this church. And this pastor treated everything about this church and every person in it as if they were all a gift too. I will never forget his huge smile or his gentle and kind heart.*

“ *Pastor Banks, his wife, and family has planted so many good Goldy seeds into my life and my family's life. My soul is full of God's word and I have grown to become a better person, spiritually, mentally, and physically because of him teaching the word without adding anything to it or taking anything away from it. He baptisted my youngest daughter when she was a teenager, old enough to decide herself that she wanted to accept Christ in her life. God Bless the Whole Family!!!!!!!! He is with all of you and us in spirit!!!!!!!! I send my condolences, prayers, and love to the family!!!!!!!!*

“ *Pastor Banks will be deeply missed. One of the things I wanted to share is how big of an impact he had on my life and following of Christ. Like most I watched him on tv on Sunday mornings. A couple family members attended New Creation and invited me one Sunday. It was back in 2011. I was greeted at the door by sis Laura Pater. She hugged me and made me feel so welcome as though I was family. As a young Christian figuring out my faith, that made me feel so good. When I got to the sanctuary doors I was met by brother Willie Haynes. He welcomed me and handed me a church bulletin. I was directed to a seat by one of the ushers and I sat down for service. I met sis Melinda Hopton around that time too.*

*Those church members that I mentioned along with Pastor played a very important part in my life. They were placed in my life for a purpose. That was the day I decided to be a faithful follower of Christ. Pastor Banks' message spoke to my spirit and I knew it was from God. I can go on and on about how awesome Pastor was. He was such a faithful servant to his church and family. He taught me to be very specific when I pray and ask the Lord exactly for what I need. I will always cherish him and the moments I had a chance to share with him. He always commented on my sense of humor to things and told me to keep that outlook and don't be so serious. Love God and love his people.*

*To the family, I am praying for you all. Sister G gloria we lift you up in prayer and ask that the Lord keep you. We love you! God bless!*
