“ To the family of Mr. Herbert Cleaves, may the Lord bless and keep you at this most difficult time. I met Mr. Cleaves in the early seventies when he was running a program designed to help the elderly with their yard and garage clean up. But we basically did whatever he told us that needed done. He was a tough boss that was easy to respect because he treat us boys like we were young men. I will always remember reporting for work at the little house on Grace st.

“ Condolences and sympathy to the Cleaves family from your brothers of the 76' dream team of the Flint Northern Vikings. May the Lord keep you all strong and together for one another. Mateen, with the Lord's guidance and the gift of leadership He has given you, there is no doubt you and your family can get through this most difficult time. You made the Viking family proud, the way you handled your NCAA Finals committment. Remember, the Lord says to look towards the hills from which cometh our help, and all our help cometh from the Lord.

*Keep your eyes on God

“ *To the Cleaves Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

Many wonder why we grow old and die. Romans 5:12 answers that question. It says that because of Adam sinning his punishment was death and sin and death was passed on to us all. However, our loving God, Jehovah(1John 4:8) made a way out for us all by sacrificing his only son(John 3:16). God promises us that we will see our love ones again.

*Yours truly,
Patricia*
