“ *To the Neeley family,*

Herb will be truly missed.

When I first moved down to NC and Herb found out that I was here he made it a point to come 3hrs out of his way to see me. When the family is home visiting from out of town we know that Herb will be by to shoot the breeze with us. He always carried a warm smile and had many many tales to tells.

“ Herbert was truly a special person that I have had the pleasure of knowing since grade school. Herbert will truly be missed, he always had a kind word for everyone he came across. I fondly remember in a high school football game Herbert tackling me, laughing at me and then helping me up off the ground. That's the kind of guy he was, always a good guy. To Herbert Sr. and family please accept my deepest sympathies.

“ While I did not know Herbert, I am very well acquainted with his brother, Terry Neeley. Terry is a wonderful man who is sensitive, kind and compassionate. I grieve for Terry and his family during this very difficult time. It is always a horrendous experience to lose a loved one, but we go on knowing that our loved one is in a much better place. They have left the Valley of Tears and moved into God's graces. My deepest sympathy to the Neeley family. Rest in Peace, Herbert.
