“ *Wishing we could have been there with you both Darlene and Jessie but know that our hearts are with you both in this very difficult time. Herman was a man I wish I could have known better, he was always kind to me whenever i would come and visit Jess and Darlene he had a good sense of humor and a bond with his daughter that will never be broken, this i promise you jessie just because he has gone to be with the lord that; bond between you and him will never be broken, spoken from a true daddy's girl as well.*

I knew Herman was a stubborn man at times but he was a man that loved his family and his little girl very very much.

We will miss you Herman, till we meet again.

Love forever your friends in the north
