“ *To Sherry, Michael and all of the family: I am still in a state of shock, hurt and sadness at the loss of my dear sister-in-law. I am not able to be there at this time for you, but always know that my heart and love is there with you every minute. I am still just a phone call away. I will always remember the love, laughter, and general family ties that we all had whenever we were together. Do understand that I know how you feel, and what you are going through. Please know that I love you and will continue to pray that your hearts and spirits will get you through this time.*

“ Sherry, Michael and family,

I send my sincerest condolences at the lost of your beloved Mother. I have so many memories of her as I grew from a small child to a young lady. I used to always think you had the coolest Mom on the block because she was always so sweet to all of the neighborhood kids whenever we frequented your home growing up. Your Mom will be sorely missed by so many, I am sure. May God continue to keep you all close to Him at this time and forever. Love you !
