“ My very early childhood memories are webbed together with hanging with my Dad while he was conducting The MT. Olive Senior Choir. And in the structure of those memories is me, sitting in the choir stand, during rehearsals--sometimes next to Mrs. Black. One time when I was loudly being bored with having to sit through a rehearsal, Mrs. Black, to my Dad's consternation put me on her lap. That was not normal, but it did stop my Dad from having to stop rehearsal for the umpteenth time to tell me to quiet down. She was kindhearted and I know from first hand experience she passed that heart onto her children. My sincere condolences to Pam and Lamar and the entire Black Family.

“ Pam and Lamar,  
When I think of your mother, memories go back to our childhood growing up at Mt Olive. Mrs Black was always so kind, supportive. When she took ill and no longer able attend church she was truly missed. May God comfort you and your family during this time.

“ I remember Aunt Hilda as a loving extension of the Black family. Back in 1966, I had the opportunity to visit her family while stationed in Germany. I treasure those memories, and how well I was treated. God bless the family at this difficult time.

“ I count it a blessing to have shared many meals with Hilde. She was one of the first friends I made at MT Olive. She, Della and I would often go out to eat after church service and for a time we had the tradition of sharing Thanksgiving meals together. She was a very kind and loving lady.

“ Dear Lamar and family. I'm so sorry to hear of the loss of your Mother. I lost my Mom a few years ago and no matter your age or how long they are with us it's a sad thing to be a motherless child. I have my four year old granddaughter on Mondays so I won't be able to attend the service but know I will be thinking of you and am keeping you in my prayers.
