I am sorry to hear of the passing of Horace. He is a friend I met years ago while visiting my cousins in Smackover, Arkansas. I had come to know the whole family. Even though we did not stay in touch, we would visit in Flint when I would come to visit relatives there. I don't know your loss, but I know mine, having just loss my mother in February of this year. I will be praying for the family that God will give you comfort! Love you!
