“ *My heartfelt condolences to the entire Keels family. I was very saddened to hear of Howard's passing. It's been several years since I've seen Howard but will cherish our child hood memories of growing up and living on Crocker. Seems like yesterday when Howard and Regina moved two doors down from me on Crocker. When ever I would visit home and see Howard he always had a kind word to say while lugging his golf clubs. It's a very strong testament for Howard's character to see he was a Deacon. Larry, Doris and Mary stay strong in the Lord. Regina I will keep you and the entire Keels family in my prayers.*

“ Dear Keels Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured, death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.

Wow the Lord is getting his musicians together for the wonderful choir in heaven that he already has. Two musicians in a weeks time. Gina you know that Howard was very kind to me and always asked about my husband when he was gone from church and when he was sick. He is playing some good songs of Zion right now and he will truly be missed. No more pain, that is a blessing all by itself. Your family will always be in the Cummings family prayers and we thank God for Howard and we pray for your strength in this time of loss. Just know that you are surrounded by people who love you. Just continue to hold on to Gods unchanging hand and know that you will see Howard again.....God Bless the whole family
