“ *I lost my friend on April 28, 2020. For the past 3-4 years, we spent hours talking and helping each other. First, he helped me get through my crazy divorce. Then, as life presented him with challenges, I would help him. We shared joys, laughter, concerns, meals, and had wonderful conversations. He predicted this pandemic last February. I started taking my health serious because of him.*

He encouraged me and was happy when good things happened to me. People say that I did a lot for Hubert. What they don't understand is how much I gained by knowing such a wonderful man.

Yesterday, I questioned God about why he always takes the good people and leaves the so many bad people. This morning he gave me my answer. He takes these good people because they are ready to join him.

Hubert Hughes lived his life to the fullest. He is no longer in pain and discomfort. He is now resting with our Heavenly Father.
