“ Alma and family,
Please forgive me for not making it to the memorial service. I was very sorry when I heard about Jermaine's death. I did not think to go online for service information, this is the only reason I did not come to the service. I often think about our home's on Josephine Street and remember when our family use to communicate. As time went on we separated and then one day no more communication. I just wanted to share my love for you and your family.
