“ I know it has been some time that this wonderful lady passed. But I installed her alarm system in Flint Michigan when she live by Ross ave Baptist church she was such a sweet lady and called me Cousin Rex. I will never forget her wonderful smile and how sweet she was. I find myself thinking about her from time to time. She is one of the best people I have ever been lucky to have been in my life. “*Ida Mae was my cousin. This lil woman used to keep me laughing so hard. Even though only stood close to 5 feet tall, her personality made her a giant. When something was bothering her this fiesty woman had no problem speaking her mind. I had been around Ida Mae my whole life. I truly and sincerely loved this woman and I am going to miss her greatly. I always called her on her birthday and the last few years I guess I was reminding her of it. One day when we were having a family gathering at her home she asked me why didn't I call her on her birthday. I told her I had a night class and it was late when I got home. She told me that she had assumed her birthday had already passed because she hadn't heard from me. She made me promise that I'd never skip calling her again and I never did. Even now I wish her and Sherman happy birthdays because I know they can hear me. I'd like to thank my favorite aunt, Katie Mae Woodson Sanders and my lil cousin, Alexis for spending so much time with Ida and taking care of her when she wasn't able to care forself. My Aunt KatieMae was not suppose to be on her feet but whenever Ida needed her she, they were there, so THANK YOU so very much for your selflessness. You went above and beyond the call of duty and I know that the rest of the family feels the same way so I am speaking for all of us You most definitely earned you some blessings. I love you Ida and I'll see you when I get there.*”
