“*Madear it's been so hard for me to accept you're gone; but I realize God had a better plan that was so much more complete. He wanted you to have complete rest and to give you a complete makeover; He has given you a brand new body! I love you sooo much. Thank you for always encouraging me in a way that only you could; thank you for always being there with opened arms; thank you for accepting me as your own and took my mom's place when I was so far from home. Thank you for all the laughter you created while in your presence or even while on the phone; Never a dull moment. But most of all I thank you for just being my sweet sweet "Madear" embracing all those lives she touched with her unconditional love. Your family truly became my family. There were No conditions! It's hard to let go, my dear guardian angel but I know I must. Sleep Madear, God opened the heavens and welcome you home; Jack Rabbit turned that antenia because he knew the love of his was coming home. I know you two are going to have a ball! U will always be in my heart. When i think of you, a great big smile will definitely appear on my face. I didn't get to say goodbye, and I won't say it now. I'll just sign off for now. Rest my love; I love you.*

“ *Mama Hollis, you and the Hollis family have been a part of my life for a very long time. I am your daughter-in-law but to me, you are mama. You will be missed deeply. So many great memories of you, like the many times Chris would fuss at me for sneaking you ice cream and pound cake and you would just say "aw boy", and we would keep right on eating. (Smiles). I will forever hold dear to my heart the words you continually would say, "I love you and be good to one another". I love you mama .RIH...*

“ *Dear Hollis Family and Friends,
I am so very sorry to hear of the loss of your dear loved one, and offer you my sincere condolences. Many have found comfort and hope in knowing that the Bible assures us: “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit.” (Psalm 34:18) God’s holy spirit, or active force, can equip you with “power beyond what is normal” to go from one day to the next.(2 Corinthians 4:7) It is my sincere hope that this gives you a measure of solace in this most difficult time. My family wishes you and yours peace.*
