“ I want to direct this to so many but that would take up a lot of space and time, so I will just say to MY FAMILY. You all have my deepest sympathy for your loss. I am so sure that Aunt Inez is resting peacefully now. I know that she's been wanting to go to her home for so long, now she's in Our Father's home and have no more worries or anything else that will make her feel down. I am praying for you all to have the strength to get thru this and the many days to come. You all have memories of Aunt Inez to comfort you. I have memories of my own as well. Sister may you have peace of mine knowing that you did your job as Daughter Well!!! My deepest prayers are for you and my God-Mom/Aunt Bonnie, you two have been thru a lot lately and I'm praying for God to heal your hearts and grant you peace. Only He can give you what you need to carry on. May God bless and keep all of you. I'm sure I will be writing again or seeing you so until then....Naye
