“ To Edna and family...I was saddened to learn about the passing of your wonderful mother. I know she will truly be missed. I enjoyed doing her nails for years and hearing her talk about her children and grandchildren. She really loved her family. I also enjoyed hearing about her weekly bowling scores. I am so sorry I won't be able to be there with you all.

Take Care. God loves you and so do I.

“ Aunt Irene, a true woman of God will forever be remembered in my heart. She will truly be missed. She was always there for my dad, jr. & I when we needed her, no matter what and it was much appreciated. My prayers are with you all during this time of bereavement. I want you to know that I love you and will keep you all in my prayers. Remember there is no pain that God can not heal.

PS

“ You are never alone. There's a wonderful peace in just knowing that God never leaves us alone, and whether we feel He loves us and calls us His own. His word is our hope and our comfort, a refuge when life brings our way those times we need wisdom and guidance and strength to sustain us each day.

I have you all in my heart and prayers, continually, and hope that you find God's love brings you comfort and great peace of mind.

Always remember I care and if there's anything I can do please call me, I'll be there.

Mother Booth was one in a million loveable mom's, a joy to be around and I'll miss her.

My deepest sympathy.
