“ *Mom Lived Her Life for Love of Friends and Family*

*Mom lived her life for love of friends and family,
Neither asking for nor wanting a return.
Her days became a sunlit homily,
With others' joy her joy and main concern.
When we were ill, she also became sick;
When we were cut, she, too, began to bleed.
Of our oil lamp she was the wick,
Drawing her bright flame from our need.
Some say that such behavior's out of date:
That self-fulfillment is the way to grace.
But Mom, without much choice, then chose her fate,
Finding greater truth in an embrace.
She lives on in the sparkle in our eyes:
Laughing, quiet, gentle, loving, wise.*

Sandra,

I'm so sorry for your loss -

“ Sandy, Linda and I would like you to know that you and your family will be in our prayers and thoughts during this period of time. Even though this is a tough time for the family and we don't always know why - Just remember, God knows best. He does things in mysterious ways and we can't always understand why. Just use your faith and beleif in him and I am positive His word will be revealed to you.

We love you and will keepm you in our hearts.
