“ I will miss you dearly. You were my favorite sister. So understanding, loving, compassionate, and giving to all who knew you. Your love for your sons , was like no other. You did anything for them. You worked hard all your life and sad that this had to happen. Only by Gods grace, will I understand why. I will cherish all the wonderful memories. Me skipping high school and you keeping it a secret. Having my daughter, we all called “Precious”. And you still called her that to your last days. You helped me out with cloths that you had, when Drs told you your son was a girl. Our kids grew up together, spending numerous wkend together. They loved their fun loving Aunt. I would come afterwards from working at a restaurant, with all my tips and take you and Louis to the fair. To you working at “Top of the Park” restaurant and you bringing food home. To you working at Marshalls store and giving me your discount. Never forgot your face, w/a huge smile, when I pulled up in my Z-28 camaro and said you could drive it. We drove all day. I can go on with so many memories. As I grieve, I read Psalm 34:18. I loved that you asked to read together Romans 10:9,10. You are with your Savior. Live on my beautiful soul. We will see each other again. Love always your baby Sister Elia

“ My beloved, beautiful sister, you will be so missed by all of us. I love you and my heart breaks knowing I no longer can see and talk with you. You were the most giving, and compationate person I've ever known. I find comfort knowing you are no longer in pain and have been reunited with Mom, Dad, and our two brothers. All those who you've loved that have passed before you are also there to welcome you home. What a beautiful reunion that must be! I know you healthy, walking and in peace. Praise our Lord and Saviour!!

I will miss you so much. You were my favorite sister. So understanding, loving, compassionate, and giving to all that knew you. What you had, you shared to all and never asking back. You loved you sons, like no other. You did anything for them. You worked so hard all your life and for this to happen. Only by Gods grace will I have a understanding of why. I will cherish all the wonderful memories. Of me skipping high school and driving to Flint, to me having your little "Precious". You gave me all your sons cloths when you found out He, was a boy. You never stopped calling her that, even at your end days, and always asking about her. Our kids grew up together, and they will miss you dearly. Their fun loving Aunt. Never did I miss a chance to come visit you when we had a weekend off of work together. To us shopping like crazy at your employment and giving me your discount at Marshalls, or you working at Top of the Park, and you bringing home food. To me coming and spending all my tips from the restaurants that I worked at, to take your son to the fair, before my kids were born. Never forgot the look on your face, when I pulled up in my Z-28 Chevy Camaro and I said you could drive it. We drove around all night. I can go on with so many fun memories. I know mom/dad was waiting with opened arms. As I grieve, Psalm 34:18 The Lord is close to the broken hearted and saves who are crushed in spirit, but your spirit lives on. I loved that you asked and we prayed together and said Romans 10:9,10. Live on you beautiful soul and we will see each again. Love you always, your baby sister
