“ First I would like to express my deepest sympathy, to the family of Ms.Hawkins. When you go on a journey to find comfort many people seek many different avenues. The one path that should be taken is from the bible specifically is taken from (Acts.24:15) "there is going to be a resurrection", what hope our loving creator God gives mankind to those who were victims of losing their love ones.When we meditate on such things we can really base our hope on what the bible says on such topics. May the family have peace and comfort.
