“ Hello,

*I would like to offer my condolences to the family. The loss of a loved one is never going to be an easy thing to comprehend or deal with. The bible however offers us encouragement as to the power that our Lord Jesus and His Father Jehovah have to resurrect our lost loved ones. In your bible when you have time there is an account at Luke 7 in which Jesus resurrected the son of a widow. In this account he told her son to "Get Up!" and the boy did. At John 5:28, the same promise of life again is offered to us; the scripture mentions: "the hour is coming when all in the memorial tombs will hear his voice and come out." Hold on to that in this trying time. If you need any further words of encouragement please feel free to contact me at [pamelatraeye@hotmail.com](mailto:pamelatraeye@hotmail.com)*
