“ *My brother we shared good times in class at Flint Central High school!!! Never will I forget being at Central last day being open we stopped and took a picture together and you said man you are my brother for life. Even when I came to your going away party or even seeing you before your move to Houston I kept in mind that you were truly my brother for life. Just on February 11th at 9:56 pm you wrote and wished me happy birthday to my brother from another mother love you to life man. Then come February 13th your no longer here, man bro we never talked much but you made an impact on me just like a brother. Will miss you and love you to life man!!!! I will never forget how clean you were my guy!!!!*

“ J'monte was my friend, my brother. I don't think that I will ever get over this. My heart is so broken. We spent our time two weeks before he died celebrating both of us being cancer survivors in Chicago. Was looking forward to him coming back to Chicago in the next couple of months to celebrate my birthday after talking to him two days before he passed. Words can not express how I'm feeling. We had a special bond because we battled the same cancer. So I pick the green candle for Lymphoma..... He left an impact on so many lives. I'm taking this so hard but he is no longer suffering. I pray for his family during this time.... J'monte will truly be missed...

“ *Farther along we'll know all about it, farther along we will understand why. To the entire families Byrd, Jones, Bethlehem Temple, all spiritual family and countless friends. We the Randolph-Witcher families continue to lift you as you go through this transition of greatness. Yes, he left the mark of greatness on this earth. His dash only speaks well of him.*

*Thank you for bringing forth J'Monte into this world and sharing him with the world.*
