“ To the Adams family always remember that mama Jackie was a one in a million and amazing woman. Yes God took our Angel away from us, remember he makes no mistakes. She will truly be missed by me, because she's always treated me like a daughter and she will always be my other mom. We have to be strong for each other and keep the family together because that's what she would want us to do. So from your sis Lisa H. Baker I love you guys and I always will. So to God be the Glory and stay together like she would want us to. Love always Lisa .Marcus, and Stacy Adams.

“ May you take comfort in knowing an angel is watching over you. Although no words can really help to ease the loss you bear, just know that you are very close in my thoughts and prayers. I take comfort in knowing that Jackie and Mommy are having one of their long, long conversations. Be Blessed! Love you all, Cousin Janell Martin

“ My heart is heavy but my soul rejoices because (2 Timothy 4:8) brings me comfort knowing “Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.” Jackie was a beautiful lady and she was especially close to my Mom, her Aunt Doris Lee Allen-McKissack. All of heaven is rejoicing because these two are together again. To my Cousins, I am praying for your strength and I would like to encourage you with the following two passages...“Blessed are they that mourn: for they shall be comforted.” (Matthew 5:4) “Let not your heart be troubled: ye believe in God, believe also in me. In my Father’s house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.” (John 14:1-3)
