“ To my cousin Darryl and family, we extend our condolences of the lost of Auntie Jackie. She was loved dearly and will be missed. God has called another angel and servant home. Her work here is done, she's in the masters hands. Carry her sweet memories in your heart. Remember this to be absent in the flesh means she's present on the spirit. Another angel watching over you and guiding you on life's journey. Love you.

My condolences to your family. Please find comfort in the words of Isaiah 25:8 where God promises to "swallow up death forever" in the near future. This is a sure promise that all of us who have lost loved ones in death can take comfort in. Again, I am so sorry for your loss.
