Jackie graduated from Booker T. Washington High school, "Class of 1957". She continued her education by working in the Flint Public School System for 37 years, and later retired as a supervisor for the Flint Public Library. Jackie was a strong woman of God; she was a faithful member of Christ Fellowship Missionary Baptist Church where she used her experience in education to serve as a substitute Sunday school teacher and bible study instructor. Additionally, she was a long time member of the mass choir and worked on the finance committee.

She loved creating beautiful keepsakes for others. She loved sewing, crafting,

quilting, doll making, and even graphic design. You name it... She made it. Many family members and friends can attest to receiving gifts made with love from Jackie.

“ How does one share an entire Lifetime of Memories with just a few words?

Way back, before I even started pre-school, Jacqueline Wilhelmina White became friends with my mother, Maryanna Gilchrist Thomas. From there, as their friendship grew, Jackie played many roles not just in my mother's life, but in the lives of all of her children and for that we are forever grateful.

She was there for Brownies, Girl Scouts, Stepping Stones and Church Life and was even my chaperone as we traveled to Mexico city back in 1974.

I will always be thankful to Janice, Gloria and Gerald for allowing me to share their mother with them.

May the Lord carry Jackie on Angels wings to the place in Heaven that has been waiting for her. And May her Children and Grandchildren always remember what a Great person She Is. Peace to the Family. Peace to Robert White.

“ Robert and family, you have my deepest sympathy during this difficult time. I was heartbroken to learn of Jackie's passing. We shared many conversations while working together and even after she retired. Jackie will truly be missed she was my friend and was always there, She just always seemed to know when to call or show up. know you all will miss her and I as well. She is now resting and smiling down on us. She gave me a set of wings along time ago and I still have them over the visor of my car. She now has her real wings.
