“ Jack and I have been friendly since meeting in high school and became friends while dating her brother who then became one of the best Sister-in-laws you could ask for we shared many memories together while visiting in Kalamazoo with her family and mine she was a kind, gentle and loving spirit who was funny and a joy to be around, I've never heard her speak down or raise her voice to anyone, everyone loved her as did I she will be truly missed, Rest in Heaven Jack, love you, Steph❤️
