“ *Mrs. Jacquelyn Delores Quarles*

“ *My name is Hoyt Mitchell from Tuscaloosa, AL. I am 91 years old. I went to school with Jackie. She was one of the brightest and most beautiful women I ever met. I've always adored her from afar. I am glad to see that she lived a wonderful life with her husband and children. I asked my nephew to write this in recognition of the wonderful people that I have known in my life.*

I wished that we had stayed in touch throughout our lives, but life got in the way.

I have attached a picture of her in hopes that it would be something for her family to remember.

May she Rest In Peace and God watch over her children.
