“ Trina,
It hardens my heart to know that our baby is gone. I know that he is smiling in the heavens being watched by God. Thank you for sharing Jahnavi with us. I remember walking you guys to your car on Monday and him running up to me and hugging my tall legs (lol). I will never forget the smile on his face. I love you and know that I am praying for you.

“ Hey baby,

There is not a day that goes by that I don't think of you or that I don't cry. I keep looking up the stairs everytime I hear a sound thinking that you are coming down and that someone is playing a big trick on me. Words cannot begin to express how hurt mommy is. I just want to look into your eyes and get one of the sloopy kisses from you and then you tell me, "I wiped your kiss off, so let me get another one". Wow, we had so many plans together. I remember I said it was me and you against the world. Well, baby I may have not been right before your death, but you can best believe I will be right 100% before the return of the Lord, because it is a must that I see you again. I cannot wait until that day. I know you are always playing with "Your Baby", Jahniya. She loves you and I will never let her forget you or not know you. Please always remember mommy, daddy and Jahniya. I love you so much. Moma's Lil Man

“ Dear Leatha and family,
It is heartbreaking that your sweet
Jahnavi is gone. No words can heal the ache in your hearts, but I
hope that knowing that myself and others care and grieve with you
will bring some comfort. I'll be praying and thinking of you at this sad
time.

With love in Christ,
Bonnie

“ Our thoughts and prayers go out for the family. Knowing how much
Leatha prays and cares about her family makes us sad to hear of a
life cut short, yet comforted knowing Jahnavi is with the Lord.
