“ *May he rest in peace. I recall meeting Jake and how we just hit it off and became friends. Jake was a very caring person, he never forgot a birthday or special holiday, I looked forward to receiving his cards. I hate that we lost contact during Covid and just living. Jake always said, ‘ send the card whenever you think about it, you don’t have to wait until the actual day ‘, I wish I had sent him the card to let him know he was in my thoughts. Thanks for the friendship, cards, meals, visits and laughter. Jake will be missed. Prayers for the entire Kemp family. God bless*

“ *Jake never excluded Tara or I from anything when we were little and always made us feel loved and like one of his. Whether it was going to McDonalds(and sharing fries and a pop) or just hanging out at the house on Kellar, he always made sure he had room for 2 extra little girls. You will be missed Jake. Thank you for so many amazing memories from when I was a little girl and for every single birthday card you sent me every year. I will miss them. May you rest easy now.*
