“ Sending prayers and heartfelt condolences to the entire family of Mr. Jake Kendall. I worked at AC/Delphi Flint East with Jake. Jake made coming to work fun. He was so comical and fun. Don't get me wrong. He did want you to come to work, get the product out, and you better be sure it was assembled correctly, or he would never let you forget it. May you find comfort in all the beautiful memories you all shared with him. For our earthly house has dissolved, but we have a building of God. A house not made with hands, but eternal in the heavens. Take your rest know Jake, continue to rest on in Jesus' loving arms.

Jake and I attended Flint Northern together and were members of the 1967 class. A year after graduation, 1968, from high school, we moved on to complete Air Force Basic Training together thus beginning our road to adulthood. Although my interactions with Jake were minimal since basic training I admired his steadfast love for you, Bernice and his family. Bernice and family please accept my family's sincere condolences. Wishing you peace and comfort during this challenging time. You have my and my family's deepest sympathies.
