“ *May God put blessings upon your Journey and may your children be blessed from above in ways that only a mothers soul can find comfort in, in death.Father we pray that these children shall find comfort through you and that those around them really give them the tools they need to get through this tragedy.Take comfort in knowing that the Lord puts no more on you than you can bare,but its getting through baring it when he gives you more strength.

“ *There are times only when a Mother's love  
Can understand our tears,  
Can soothe our disappointments  
And calm all our fears.*

*There are times when only a Mother's Love  
Can share the joy we feel  
When something we've dreamed about  
Quite suddenly is real.*

*There are times when only a Mother's faith  
Can help on life's way  
And inspire in us the confidence  
We need from day to day.*

*For a Mother's heart and a Mother's faith  
And a Mother's steadfast love  
Were fashioned by the Angels  
And sent from God above...*
