“ I remember always going over to the Burns house when I lived at 2015 Stanford as a child. Even though everyone was way older than I was, I felt as though I was their baby sister. The Burns house was always filled with laughter and everyone was so kind and loving.

I am so sorry about Jimmy's passing, he was such a kind person with a kind spirit. I share in your loss and may God bless all of the Burns family.

“ I am going to miss my uncle Jimmy. I will always remember him as the uncle who introduced our family to fine cuisine (smile). He was also a very caring and giving person. Uncle Jimmy was always willing to help anyone if he could. He was my very first employer. I washed greens for him when he opened his restaurant and I later worked as a cashier for him at Windmill Place. He was my math tutor for geometry in 10th grade but he was too smart for my own good! I also have fond memories of him having cooking lessons with me, Tomika and Didi. The best time was when we cooked pizza at my house and destroyed the kitchen! I am so thankful that I can remember so many good times with my uncle. May God bless and keep Greg during this difficult time, and may God bless all of our family during this time of loss.

“ Our family has lost a gentle, loving soul. Uncle Jimmy will be greatly missed by us all. I worked for Uncle Jimmy at the Creole Kitchen as a cashier and server. That experience will last a lifetime for me. I'll never forget working side by side with my uncle and cousins. What a great family experience.

My fondest memories will always be of Uncle Jimmy's cooking for family gatherings. He was the best! He gave me my introduction into frog's legs and cous cous.

Uncle Jimmy was one of the smartest people that I have ever known. He showed his love with quiet, simple displays. You always knew that he loved and supported you.

I pray that God will provide Gregory, with the strength to make it through this difficult time. The love and strength of this entire family will bring us all through our sorrow.

“ Dear Family,

I am so sorry for your loss. James & I were in a history class, I believe @SW. He was so very intelligent; I knew he would go far after high school. He always dressed so nice and looked so "put together." I will be saddened to list James on our "deceased" list for our 50th H.S. reunion next year. May God comfort you in this time of sorrow.

“ I'll always remember Uncle Jimmy for his intelligence, accomplishments, fantastic gumbo and sense of humor. And as much as I've tried to forget the math tutoring sessions when I just couldn't get it --they stuck with me. :)

I think of all the good laughs we've shared at family gatherings and I'll miss that.

Uncle Jimmy will never be forgotten -- a gentle person, a great mind and an kind heart.
