“ *To the Corthion Family:
I send my deepest sympathy to you all. Seems as if it was just the other day that we all assembled together for Greg's passing. I am so very glad that I gave James the biggest hug and told him that I loved him! You just never know when the last time will be that you see your friends.
I love you 'Vonne & Kenesia. And I thank god for your mom, who took care of us when we were young. Please remember, I am just a phone call away whenever you may need me.*
